■ Dates

Multilingual I R

2002: Unchanged

Query in any topic language

5 language document collection

DE, EN, FR, IT, SP

Results in single ranked merged list

Bilingual I R

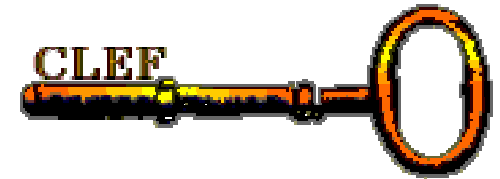

2002: Changed

Query in any topic language to target document collection in:

DE, FR, IT, NL or SP (plus possibly other European languages)

Newcomers to cross-language task can query in any European topic language to English collection

Monolingual I R

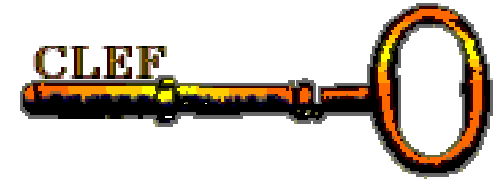

2002: Unchanged

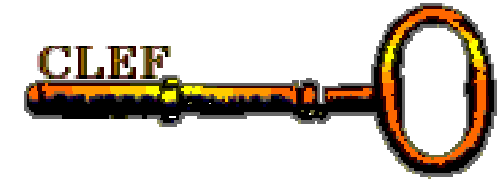

Query non-English target document
collections:

DE, FR, IT, NL or SP plus ?

GI RT

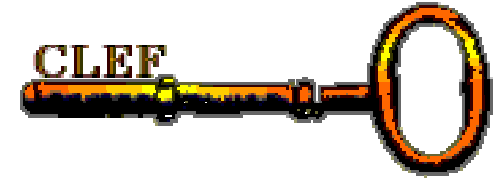

- To continue GI RT needs commitment from participants
- The Guidelines can be changed - according to demand (eg use the controlled vocab.)

New Tracks

- Interactive Task
- C-L Spoken Document Retrieval (as an experiment - under the DELOS umbrella)

New Languages

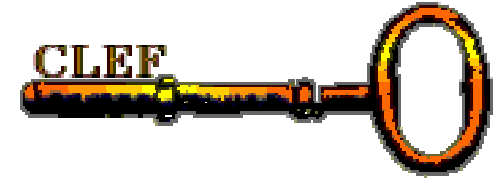

Basic Criteria:

For a new European language to be added to the collection, we must have:

- a group willing to be responsible for coordinating the activity in that language
- a suitable comparable document collection
- guarantees for a minimum no. of participating groups

However, these criteria may be relaxed for particularly interesting (challenging) languages.

CLEF 2002 - Schedule
